COMMENTS

DPEC has been built on a strong foundation with a strong work ethic. Our company will continue to build on this foundation and we will always operate with integrity and honesty. You can count on us to do the right thing. We believe there is a wealth of opportunity in our own "backyard." We focus in areas that are geologically complex and have multi-pay and multi-well potential. Our vision is to be one of the strongest independent energy companies in Georgia. We look forward to doing business with you.
